

Prof. Shri Prakash Mani Tripathi
Vice-Chancellor, IGNTU

Message

It is a matter of great pride that the Regional Campus Manipur, Makhan Village, Kangpokpi District, Imphal is celebrating its 11th foundation day today. This Campus of the University was established on 09.09.2009 and its foundation stone was laid by the then Chief Minister of Manipur Shri Okram Ibibo Singh. The Campus is spread over in 301 acres of land in the green and picturesque location of Makhan Village. During the short span of time the Campus has earned very good reputation in academic field and it is fast marching ahead to be Centre of Excellence in various streams of knowledge. The Campus is facilitating P.G. and Ph.D. programs through its learned faculty-members and various departments. The Campus is efficiently disseminating advance knowledge by providing instructional and research facilities in the area of Political Science and Human Rights, Social Work, Sociology and Social Anthropology, Tribal Studies and Computer Science. The Department of Physical Education is going to be functional soon in RCM which will fulfil the aspirations of the region. It is pleasant to note that Manipur has been internationally identified as World Biodiversity Hotspot (WBH). Presently, there are only 36 WBH in the World. The Campus has provided avenues of higher education and research for tribal population of the region. The University will always remain grateful to the Government of Manipur for providing infrastructure facilities and support regularly. I congratulate and convey my best wishes to the faculty-members, staff, students and other stakeholders.

09.09.2020
