Sub: Pre-Bid Conference for establishment of Virtual Class and Smart Class Room in the University campus – Reg..

Dear Sir/Madam,

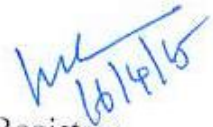

It gives us immense pleasure in inviting intended Govt. organization /Private Company/Firms engaged in creating Virtual and Smart Class room at Indira Gandhi National Tribal University, Amarkantak for the Pre-Bid Conference.

This is a Central University functioning under the Ministry of HRD, Govt. of India, since 2008, situated at Lalpur, Amarkantak, Distt-Anuppur, Madhya Pradesh. It is approx 125 KM from Bilaspur and 220 KM from Jabalpur and 225 KM from Raipur (Chhattisgarh).

For 1 Virtual Auditorium, 3 Virtual Class Room and 5 Smart Class Room, only branded equipments should be used. Govt. organization /Private Company/Firms should make presentation in Pre-Bid conference on the basis of proper physical site-survey.

The intended parties are requested to pay the physical visit of the university campus and make power Point presentation for **Establishment of Virtual Class Room and Smart Cass Room at IGNTU campus** in the Pre-Bid Conference on **29th April 2015 at University**.

Their suggestions are highly solicited.
