

Call for Proposal to submit EoI (Expression of Interest) for developing software on an Automation of IGNTU Examination Section.

Indira Gandhi National Tribal University, Amarkantak was established by an Act of Parliament of India in 2007. The jurisdiction of the University extends to whole country and it is fully funded by the Central Government through the University Grants Commission. The University caters to the tribal's long cherished dream of higher education. To take appropriate measures to promote fully automated environment for advanced teaching & learning mechanism, University is interested to develop software for Examination automation. The objective of this **Call for Proposal** for submission of EoI (Expression of Interest) is to identify a System Integrator (SI) to address a particular 'Business Opportunity' about the development of complete automation of IGNTU examination section.

About University Examination Automation System:

The envisioned University Examination Automation Management System will manage the various functions of a University with a vision to enhance the overall efficiency.

The broad objectives of the envisaged system are:

- To automate the entire process of the University Examination to provide educational services and a paperless environment meant to serve the Students and Staff of the University.
- Speedy information flow among different areas of University for better Transparency, reliability and time saving of the work Process.
- To share and get the information optimally in a better way for efficient decision-making with increased accountability.
- To create a robust system to manage Pre-Admission, Admission, Examination & Result, Finance, Administrative & Other activities of University for error free and timely completion of academic session.

Technical discussion includes:

- Design & Development Process of University Examination Automation System
- Relative Components of Examination System
- Completion
- Efficiency
- Collaboration
- Scalability
- Integrated Information
- Cost Saving & Streamlined Process
- Mobility & Reporting
- Productivity
- Regularity Compliances
- Customer services & Security

It is required for interested firm/company to fill attached form (Annexure-I) and send back via email to (erpigntu@gmail.com) within fifteen days (15) from the date of advertisement. The filled **Annexure-I** may used as a consent letter from your side that you are interested to come at IGNTU, Amarkantak, MP, India for presentation regarding development process and cost estimation.

Date of Advertisement: 05/03/2018

ANNEXURE-I

(Please use your company letterhead)

Request for 'Expression of Interest' (EoI) for the selection of a System Integrator for supply of University Examination Software for Indira Gandhi National Tribal University, Amarkantak, MP-484887, India
